---

**Dodge City Roundup is an organization of individuals that are dedicated to preserving our Western Heritage through the production of rodeos and community related events. The diversity of our organization contributes to the success of the organization, and the commitment of our members is second to none. We certainly welcome you, and look forward to the contribution of your unique talents to our organization.**

**PRCA regulations require that a long sleeved shirt and hat be worn in the arena and chute area during PRCA sanctioned events.**

**VOLUNTEER INFORMATION**

- Special building projects, maintenance, and repair are the responsibility of the entire committee. From time to time, the Grounds Committee may require your assistance in completing a project.
- Much of the work that makes Dodge City Roundup successful is done “behind the scenes.” We would be remiss not to mention that our volunteers/committee members are the unsung heroes, deserving of the credit of producing some of the greatest events known to Dodge City!

I have read the Dodge City Roundup Volunteer Information and agree to abide by its policies and maintain the high standards and policies of Dodge City Roundup.
